**MARANTZ NA7004 NETWORK AUDIO PLAYER**  
**DRAMATICALLY IMPROVES THE SOUND QUALITY OF ALL YOUR MUSIC,**  
**NOW WITH FREE AIRPLAY® MUSIC STREAMING UPGRADE**

*-- AirPlay® Lets NA7004 Owners Fill Their Homes with Better Sounding Music --*

**Mahwah, NJ, September 27, 2011** – Marantz America, a world leader of advanced home entertainment solutions, is now offering owners of its critically acclaimed NA7004 Network Audio Player (SRP: \$799) a free Apple AirPlay® upgrade, allowing them to stream dramatically better sounding music to rooms throughout their home. The AirPlay upgrade, available to NA7004 owners through a special limited time promotion at the Marantz website ([www.us.marantz.com/airplay](http://www.us.marantz.com/airplay)) until December 31, 2011, lets users stream songs from their iTunes music libraries on Mac or PC, as well as music stored on their iPad, iPhone or iPod touch, through their Wi-Fi networks.\*

## **Better Sounding Music from Every Source**

The Marantz NA7004 is a completely different type of digital music player that connects to your home network and dramatically improves the audio performance of music vs. standard players from virtually every source – including CDs, portable music players, iPhones and iPods, and Internet radio, as well as from online services like Pandora, Rhapsody, or Napster.\*\* Most importantly for today's digital music lover, playing music through the NA7004 reveals subtle nuances and dynamics in the latest high resolution digital music downloads. With the NA7004, no matter where your music comes from, it will sound the very best that it possibly can. Users can even enjoy better sounding music from Bluetooth-enabled devices wirelessly, using the optional Marantz RX101 module.

"Marantz is a company that was founded on providing the very best music listening experience possible. Today's digital music revolution brings an incredible amount of freedom and convenience to music lovers," noted Jim Ludoviconi, Brand and Product Manager for Marantz America. "The Marantz NA7004 utilizes advanced sonic technologies that deliver all the power, dynamics, range and audio purity possible with digital music – just the way the artist intended it to be heard."

*\*AirPlay requires iTunes 10.1 or later and iPhone 3GS, iPhone 4, iPod touch (2nd, 3rd or 4th generation), iPad and iPad 2 with iOS 4.2 or later.*

*\*\*A subscription and fee payment may be required to access these services*
